Dear Pastor Moody:

Some time ago Geoff Gephart, Folk Arts Coordinator of the Indiana Arts Commission, wrote us about your "Garden of Memories." We would like to know more about your garden.

SPACES is a nonprofit organization that collects information on sites like yours, and shares the information with the many people who are interested.

When did you begin building it? What inspired you? What condition is it in now? Any information--including photos--you care to share with us will become part of our archives, and will not be used for any purpose other than educating the public about your work and creativity. We look forward to hearing from you and learning more about your garden.

Sincerely,

Seymour Rosen
