Dear Mr. Simmons:

We are interested in the progress you are making with the nomination of "Chateau Laroche" to the National Register of Historic Places. We hope that the information we provided in December of 1985 was useful. If there is other information you require, do not hesitate to ask.

We are still very curious about a few matters. From what source did you hear about us? Can we be on your mailing list? Is it in your jurisdiction to send us a copy of the Register nomination for Baughman Memorial Park-1979, or is there someone else to whom we should write?

Again, good luck with your work; we look forward to hearing from you. We are very interested in the work you are doing, and look forward to an update.

Sincerely,

Seymour Rosen
Director
