P.O. Box 427

Dear Father Steffen:

We just received your membership check; thanks so much for your continued generosity and support. It's always gratifying to know that there are people out there who appreciate--and benefit from--our work.

We're constantly attempting to keep our archives up to date, and a look at the Dickeyville file reveals that we have the Holy Ghost Centennial button, the "Grotto and Shrines" pamphlet, the "A Beautiful Experience" brochure, and the postcard booklet. Are we missing anything? Please let us know what the cost is.

Do you have any further information about the Grotto or other folk art environments that you would like to share with our members? We thought you might be interested in the enclosed timeline we've compiled on the Grotto; it's not for publication, but we would appreciate it if you could take a look at it and let us know what you think.

Thanks again for all the work you've done to keep the Grotto open to the public.

Sincerely,

Seymour Rosen

P.S. We've also heard of some old postcards of the grotto - we'd be interested in any historical information you may have, too, photos, etc. Thanks!
