Dear Seymour:

I received your letter Friday. I am gathering a list of Foundations to send you as well as the names and addresses requested.

I will see the Galloway family this weekend when the Kansas people and a few of us from Oklahoma go to Foyil to try to stabilize the workshop for the winter.

I may make a few changes in the letter. At any rate I'll try to get it back to you late next week. I have had a very negative and somewhat disturbing response from Phillips Petroleum Foundation.

Barbara Brockman says you are having a conference in Michigan in February. Could I have more information, please.

Sincerely,

Mary Ann Anders
