Dear Friend Renny,

How are you doing by
now?

I havent done much but
skined about 130 Coyotes this
Winter although skinning a
coyote is a quite a big job.
We have been having a lot of
Bad Weather + we still are
having a lot of snow.
I received your card + thanks
a lot for remembering me.
I am sending you a paper
that one of my neighbors wrote
up. let me know what you
think of it.

So By + answer
Frank Weatherlin
