Dear Sharon:

It was a pleasure to meet you, share our information and show you some of our environments. I'm sure we can be of help to you in the future.

As you know we generally don't charge fees for our help - but we do encourage groups like yours to join us at the patron, benefactor or corporate level.

Without such help it is very difficult for a small group such as ours to answer the numerous requests for our time.

I hope you enjoyed your trip to the other coast.

Thanks.

Sincerely,

Seymour Rosen
Director
