Dear Camilo:

Seymour and I are currently compiling information and articles for the next newsletter and would like to include an update on Kea's Ark. We would very much appreciate any help you can give us, whether in the form of general information or a small column-length article (no more than 200 words). Please let us know at your earliest convenience. We would prefer to have a response by July 1.

We hope you are well and your tireless efforts to help Kea save the Ark are being rewarded. Thank you for your assistance.

Sincerely,

A handwritten signature in cursive script that reads "Cynthia Pansing".
