Dear Lynda,

In order for letters of support for Kea's Ark to be admissable evidence in court they need to be written as affidavits that certify who the writer is, what your expertise is and then what your statement is.

The appropriate language is on the attached sheet. I'd appreciate if you would do such a letter -- it doesn't have to be addressed to anyone in particular. Please send it to Fred Zemel, the lawyer, and a copy to me, too.

Enclosed are some current articles to keep you up to date. In addition there was apparently a piece on National Public Radio this weekend.

Hope all's well.

Best,

Didi Barrett
