Dear Ms. Tawana:

Due to the fact that I was informed by the Mayors Office that your buildings that now stand on the property of the Humanity Baptist Church are in violation of the city building, health, and safety codes, and also, that the church is exposed to fines, courts cost, plus the loss of its tax exempt status, I have no alternative but to request that you vacate the premises within (30) thirty days from this date, April 1, 1987.

Sincerely,

Rev. J. W. Brown

Pastor of  
Humanity Baptist Church
