To whom it may concern:

We have heard about a wonderful store in St. Ignace with totems, an Indian village, paintings and a diorama. Do you have any information about this place? Is there anything published that we can write for (if so to whom shall we write)? Is there a particular person who is knowledgeable about this place?

Thank you in advance for your help. We look forward to hearing from you.

Sincerely,

SPACES is an arts organization which gathers information about unique handmade projects, and we are currently doing a survey about projects in Michigan. If there are other projects in your area that you think we should know about, please tell us! Ralph E. McCarry is the man responsible for the store.
