Dear Mr. Raven:

We have heard about two wonderful places in Baldwin, Michigan. One is Shrine of the Pines and the other is a project by Albert "Kid" Marty. Do you have any information about these places? Is there anything published that we can write for (if so to whom shall we write)? Is there a particular person who is knowledgeable about these places? If these places are not in your jurisdiction, can you either forward this letter to the correct party or let us know to whom we should write?

SPACES is an arts organization which gathers information about unique handmade projects, and we are currently doing a survey about projects in Michigan. If there are other projects in your area that you think we should know about, please tell us. Thank you in advance for your help. We look forward to hearing from you.

Sincerely,

Seymour Rosen
Director
