Dear Karen,

Thank you so much for your response to my letter regarding Dorion Raidel, who made birdhouses. Do you know anyone to whom we could write about him and his work (the Historical Society, his family, someone interested and knowledgeable)?

Thank you as well for introducing us to Harold Rose. We have written him and await his response.

Thank you in advance for helping us with this further request.

Sincerely,

A handwritten signature in cursive script that reads "Elaine Wintman".
