Palestinian Gardens

Rev. and Mrs. W. Harvell Jackson, Curators

Enter Biblical Palestine at the place where Joshua led the Children of Israel across the Jordan River, fourteen centuries before Christ. Visit Jericho, Bethlehem, Jerusalem, and twenty other cities and sites of the Bible, and look down upon the lowest point on earth, the Dead Sea, which is thirteen hundred feet below sea level. The Story of Christ will come alive as you follow in Christ's footsteps to Golgotha and the Holy Sepulchre. Bible references to geography will take on new meaning as you walk through the Holy Land to places where Christ lived and worked. Many questions you may have about the Bible can be answered here that could not be answered on a map or in a classroom.

The Gardens are open every day from 8 A.M. to 4 P.M., March through September. Guests tour the Gardens using printed guide sheets. Tour Guides are available by appointment.
