Dear Robert,

Re. your memo 10-14-87

Thank you so much for the information you sent on the National Register nomination of the Kaleva Bottle House. It rounds out our files.

The guidebook you are working on sounds very interesting, we look forward to seeing it and the other information you talked about. We have some information on grottos around the country, if you have need of that information.

I enclosed a copy of our 2 page survey form you requested. It is constantly being redone, so if you have any suggestions it would be most appreciated.

Our best.

Sincerely,

Seymour Rosen
Director
