Dear Ruth,

I hope this letter finds you well!

We are preparing our next newsletter and we are trying to get some information on the Sparta restoration. We've written three letters to "Spin City" but got no response.

Could you please send us some information on the Sparta restoration?

Has it been turned over to the town? Is there any further information on the Wegners or the site? Pictures? Was it strictly a Kohler Foundation effort or did it involve the Wisconsin Arts Council...etc.? Are there any new sites being considered for restoration or in the planning stage?

If you have something already written, <sup>like</sup> a press release we would appreciate seeing it. If you can identify somebody at the center who can answer these questions we will not have to bother you any further.

<sup>isc</sup> Lousie Jackson is off to Alaska for a dig, and SPACES is plugging along dealing with a lot of crises. The State Historical Society of Wisconsin is considering reviving the nomination of 6 sites to the Register. Hurray!

Take care of yourself!

Sincerely,
