Dear Valley of the Moon Association:

SPACES is a national arts organization concern with large, hand made environmental works like George Phar Legler's Valley of the Moon.

We are very interested in gathering current information on the site and your good works.

Enclosed is a letter we sent your organization last April which may never ~~of arrived or got lost in the mail~~ have arrived. We have at least two ZIP codes for you and a few addresses.

I will be in Tucson November 27 & 28, on my way to Tempe to give a talk at the University. I would like to tell that audience the most current information on your activities and I would like to come and visit if that is possible. Please let us know.

Thank you.

Sincerely,

Seymour Rosen
Director
