Dear Mr. Neustadter,

This is to let you know we are still concerned with finding ways to fulfill John Medica's wish to preserve his property. It has been so long since we talked that I need a little refreshing as to your meeting with John, what the will says and what has transpired since that time.

If possible I would like to call some evening or on the weekend to ask a few questions and do not want to take away from your office time. If this is possible please drop me a postcard with the appropriate time to call.

My best. I hope all is well with you.

Sincerely,

Seymour Rosen
Director
