**Dear Steven,**

**I'm glad we had a chance to meet at the dedication of the Medica plaque. I'm sorry we didn't have much of a chance to talk, but I had not met Francis' family and had to make some contact and try to deal with their questions.**

**Thanks also for your correspondence, especially the 2nd one.**

**Enclosed is a packet about SPACES which I hope will be interesting and hopefully of some use to you.**

**As you said, it would be terrible if John Medicas' place is destroyed. Please call upon me if I can be of any help.**

**My best.**

**Sincerely,**

**Seymour Rosen  
Director**
