INSTITUTO DE CULTURA  
SAN LUIS POTOSÍ

*San Luis Potosí, S.L.P. 17 de junio de 1998.*

SR. MIGUEL ÁNGEL CORZO  
DIRECTOR  
THE GETTY CONSERVATION INSTITUTE.  
PRESENTE.

El Instituto de Cultura de San Luis Potosí es un organismo desconcentrado del Gobierno del Estado, legalmente facultado como la máxima autoridad gubernativa en materia de arte y cultura.

Entre sus mandatos está el de coadyuvar en la divulgación de monumentos, lugares históricos y sitios de interés por su belleza natural.

Sustentándome en lo anterior y con pleno conocimiento del enorme valor artístico-cultural de las construcciones que erigió Sir Edward James, diseñador escultórico y arquitectónico de prestigio mundial, en el sitio denominado Las Pozas, municipio de Xilitla, S.L.P., en la Zona Huasteca de nuestro estado, entre la sexta y la novena décadas del presente siglo, es para mí una satisfacción expresar la atención e interés institucionales hacia todo lo que contribuya a conservar dichas construcciones, así como aquello que permita divulgar su existencia y aumentar el conocimiento de ellas, que bien pueden considerarse parte del patrimonio cultural de la humanidad.

Sin otro particular, suscribo la presente para los fines a que haya lugar.

ATENTAMENTE.

DR. EUDORO FONSECA YERENA.  
PRESIDENTE DEL INSTITUTO DE CULTURA DE SAN LUIS POTOSÍ

c.c.p. Lic. Fernando Silva Nieto  
Gobernador Constitucional del Estado.
