until February - Bud 12/15/98

Avery - it looks like we must wait for the Getty meeting but we could approach
the Mexican Foundation - what do you think? Bud Goldstone 12/15/98

RE: Dear Mr. Goldstone,

With the leaving of Mr. Corzo, and a new Director coming on board, it
will be useless at the moment to discuss any involvement of the GCI in
new projects. I suggest that you be in touch with us at the beginning of
February; by then I hope we will know much better what is our
Institute's direction.

Sincerely,

Giora Solar
