Dear Seymore:

The address at the yard is: 7539 Power Inn Road, Sacramento. Our phone number is 456-4363. They will have to call in advance as Duke is traveling so much in the pool business. We will be starting the City of Lakewood, Ca., this next week and he will be on the job when we start shooting. That should be around May 13th or so. They can do their thing with the yard but we don't want our name or address mentioned. We will have an elderly man living there starting this Tuesday so someone will be around when they want to preview the yard.

The article was great. You deserve recognition for your hard work.

Sincerely,

Francis C
