Dear Mr. Damonte,

I enclose for your information our letter to the State Historical Resources Commission requesting the plaque for Hubcap Ranch by late October. We are requesting funds from the state to pay for the manufacture of the plaque. You should be aware, however, that a stand or base must be made at the site to hold the plaque, and the state will of course not take care of that. We are hoping your son will be able to construct the base.

We will be in touch about the plaque and will provide any advice/assistance we can about the base or anything else concerning the installation and dedication of the plaque.

Best wishes,

Jocelyn Gibbs
