Dear Mr. Rosen,

I have enclosed copies of the local press releases for "Tribute to Litto" exhibit, per your conversation with Clinton Hulse.

The periodicals that featured articles on the exhibit are: St. Helena Star, The Weekly Calistogan, Napa Valley Times, The Napa Register, and Artscan (publication of the Napa County Arts Council). I have also enclosed our quarterly newsletter, which features the Litto exhibit.

We certainly hope that we will have an opportunity to meet with you in person and share this fascinating exhibit with you.

Cordially,

Peggy Klick
Business Administrator
