Dear Mr. Harris:

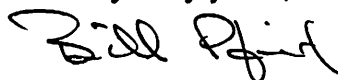

I wanted to personally thank you for your donation of \$40.00 to The Underground Gardens Conservancy. Your donation will be used to make the restoration, repairs and improvements needed to preserve the Underground Gardens and keep it open to the public. Pursuant to your letter, I have enclosed some information concerning the Conservancy and its preservation efforts.

Among the immediate needs of the Forestiere Underground Gardens are building a parking lot for the visitors of the Underground Gardens to park their cars, a new water system, and restoration and repair of the remarkable work done by Baldasare Forestiere. Such projects will be very expensive to complete and the contribution that you have already made is greatly appreciated.

Additionally, the Conservancy is presently working on its fundraising plan which we hope will be completed in the near future. We will keep you informed of other fundraising events and hope that you will contact us to contribute whatever help you can give. I hope to meet you and thank you in person should you visit the Forestiere Underground Gardens during your visit to California in September.

Again, we greatly appreciate your support and thank you for your generous donation.

Very truly yours,

Bill Pfeif
President and Chairman

Dear Mr. Harris,

Sorry this letter is a little late. I wanted your donation to go to the conservancy as it is tax deductible for you. I truly appreciate it. By the way, just having this letter the day you come to the Gardens and I will give you a tour - complimentary, of course. Again thank you. Sincerely, Lorraine Forestiere
