Dear Mr. Chamberland:

Louise Jackson is on a trip East during a break in her classes. We are in receipt of the information you sent in response to our inquiry. We are very grateful for the amount of information you sent and thoroughness of your reply.

Louise will respond to your letter when she gets back.

Personally, I'm glad you have "...slowed down considerably in the past couple of years," we couldn't of handled a 40 page reply.

Have a great 1987, and thanks again.

Our best,

Seymour Rosen
Director
