Dear Miles

Here is
As you can see
Are the prices for printing
You asked of me

Also lots of type faces
You can use
All you have to do
Is choose

The man who can do it
Is a friend of mine
As for your poems
He thinks they're fine

I don't know if I've^{ever} told you
But I^{also} think that is true

Let me know
What to do
Whatever the outcome
Happy Holidays
To you

Seymour
