Burbank, Ca. 91502 June 27, 1986

Notes from Mr. Stanley Pearson  
Conversation with airport authority  
R. Vacar and Attorney Garcin

① In addition to P.M.F. list for  
demolition bids, S. Pearson suggests  
the following.

⑨ What about salvage value of  
any improvements (moving bricks and  
freeway houses)

⑩ Contact salvage companies for  
plumbing, furniture, window screens, etc.

② In reference to Cliff's letter  
S. Pearson pushed R. Vacar Cliff's  
idea on lease back.

③ Stanley stressed to R. Vacar  
No urgent present use for dit's land  
they said no, after hesitation

Note - R. Vacar tried to acquire monthly  
income figure from Stanley via Teressa  
present in office. T. Q our accountant has

June 27, 86

R. Vacar ask S. Pearson if  
T.C. knew land value of  
O.T. property. T.C. told S. Pearson  
he would have to check the  
appraisal and talk to R.M.F.

Boothill must fill out form  
for application for demolition

① Environmental assessment report \$612.00  
fee. time element 3-5 months

② Environmental impact act (not the same  
as above) <sup>①</sup> Second step time element 1-2  
and additional fees

③ Assistance or help with letters  
from <sup>①</sup> State of California Parks and  
Recreation. Sacramento Office

Sandy Elders

② Cultural Heritage

③ Los Angeles conserv. historical society  
(most trouble, most objectionable)  
Contents of letters is for  
permission & agreement to move  
plaque, statues, & artifacts

Note - Joe Govea B+S V.N. & Armando Flores  
B.S. L.A. say can be very trouble some.

June 24th, 1986

Notes from Mr. Stanley Pearson  
Statues, Artifacts  
California landmark plaque, all are  
protected by <sup>California</sup> Environmentally impact  
law according to Christy McGelroy,

Building & Safety must be involved  
permits & restrictions of demolition  
required and or maybe denied.
