Dear Dan,

Greetings from SPACES. We hope you were pleased with your article in the latest newsletter--we certainly wish you well with the exhibits. Please keep us up to date on the collection and its whereabouts.

Lately we've been intensifying our efforts to keep our archives as current and complete as possible, and we realized that your article and slides are the sum of the information we have on Mr. Blagdon. Do you have any biographical details? We're hoping eventually to write timelines for the individual artists, so such details are quite important.

Any information you share with us will go into the SPACES archives, listing you as the researcher and owner of the collection. We look forward to hearing from you.

Sincerely,

Seymour Rosen
