Dear Lee,

The enclosed per your recent request, taken from our prospectus, two copies of which are at the Cambria Library.

You may also have early photographs of ours in your tubs. I left them with Toni Ramos a few years ago. They were to be made into PMT's then returned. Hopefully they are still there. One was of Art in a cap, standing in front of the footings for his house, approx 5 x 7. The other is an 8 x 10 of the footings showing the hand railings.

New officers for the Art Beal Foundation are:

Elizabeth Appel, President
Fran Dukehart, Vice President
Steven Rebuck, Secretary/Treasurer
Michael Rice, Director
Joeseeph Michael, Director

Thank you for your interest.

Regards,
