Mr. Steven Rebeck
Board of Directors
Art Deal Foundation

I Joseph Bechtold, would like to recommend the following individuals to be voting members of the Art Deal Foundation. Mr. Seymour Rosen, whose interest in the "genre" of folk art that "Nix Wit Ridge" represents, along with his dedication to preserving such features, would be a valuable asset. And Thomas Hetrick an Artist whose connections in that field, along with being a devoted gardener, would also be of benefit to the furthering of the Art Deal Foundation. I urge all board members to take advantage of this valuable opportunity to welcome Mr. Rosen and Mr. Hetrick to be members of the Board. Your response may be mailed to the following;
