Dear Mr. Rosen:

Per our discussion the other day, I am afraid that Sotheby's will not be able to perform an appraisal on the Trapper's Lodge folk art, since we have no expertise, either here or in New York, in the area of monumental folk art. Also, because the work is unique, there are really no analogies we could make between it and other similar works, at least none that we feel comfortable making.

I regret that we weren't able to help you in this instance, and hope that you will feel free to contact us in the future.

Best regards,

Mrs. Barbara Pallenberg
Vice President and
Managing Director
Sotheby's Los Angeles

BP/cb Excuse the delay - I've been in and out of town since we talked - we are still working for you. A woman named Phyllis Kind did an estimate on a couple of pieces in Wisconsin - she might be contacted. Phyllis Kind (in Chicago) 312-642-6302 or (in N.Y.) 212-925-1200. She comes to the coast occasionally.

Also enclosed is a suggestion for words for the plaque
