Mr. Seymour Rosen, Director  
SPACES  
1804 North Van Ness  
Los Angeles, CA 90028

Dear Seymour:

Thank you for your October 30 letter requesting plaque allocations. Your request for official landmark plaques for Twentieth Century Folk Art Environments (Thematic), Nit Wit Ridge, Cambria, San Luis Obispo County, and Litto Pope Valley, Napa County, will be placed on the February 1, 1985 agenda of the State Historical Resources Commission.

Should the Commission grant your request for two plaques, you may have to wait until July 1, 1985 for a plaque. We only had enough funds this fiscal year to contract for four plaques, and two have already been committed. One of the committed ones is allocated to Old Trappers Lodge.

You will be notified of the action taken at the February 1, 1985 meeting.

Sincerely,

A handwritten signature in cursive script that reads "Sandra J. Elder".
