Dear Seymour :

As per our phone conversation of last week here are the left overs I had from the Giudici Show. This is a copy of all but a couple of things - (I had ^{almost} dupes of all) + the original drawing of the Giudici property done by Valerie Young (I think that was the name) - anyway, I don't have a copy of that but I can't think of why I would ever need one. It might as well reside in your archives, I think. By the way, the originals of all the photo copied documents, photos etc. were in a drawer which I returned to Mary & Bill after the Show & which I presume one of Mary's kids still has.

Sorry you didn't get by my place
while you were in the area. Next
