Dear Tony,

Here is a draft of the piece you asked for on John Giudici. Does it cover what you wanted? I would appreciate any comments you would have. I'm prepared for a rewrite. Everything in your letter about presentations at the University sounds fine.

SPACES does not have any films or videos. Some are available from Light - Saraf in San Francisco and there is a film on the Towers available from Creative Films. I can supply both addresses if you need them.

Otherwise, I am looking forward to a PR release about your show so we can do something in the SPACES newsletter.

I'm looking forward to seeing what you have done with the exhibition and continuing our conversation about these wonderful places.

My best,

Seymour Rosen  
Director
