Dear Valerie,

Thanks for your letter and all the information you sent. I'm glad you were able to get involved with the Giudici project and enjoyed doing it.

I will be in the bay area for a week. From San Jose I go to San Francisco for a few meetings and to Santa Rosa for a day or so then probably back to Cupertino. I'm sure we can get together so we can share our adventures.

Expect a call when I get into town.

My best,
