Trees of Mystery
P.O. Box 96
Klamath, California

September 15, 1976

Dear Sir:

We are currently in the process of gathering information for a Bicentennial exhibit at the San Francisco Museum of Modern Art on different aspects of non-traditional art in California that includes fantasy architecture and sculpture.

We have heard about the Trees of Mystery, but don't know exactly what it is. Do you have information and postcards that you can send to us. We would like to include your park's redwood sculpture in the exhibit. "In Celebration of Ourselves" will be at the San Francisco Museum from December 3, 1976 to January 30, 1977. Thank you for your help.

Sincerely,

Seymour Rosen
Guest Curator
