Hi Seymour!

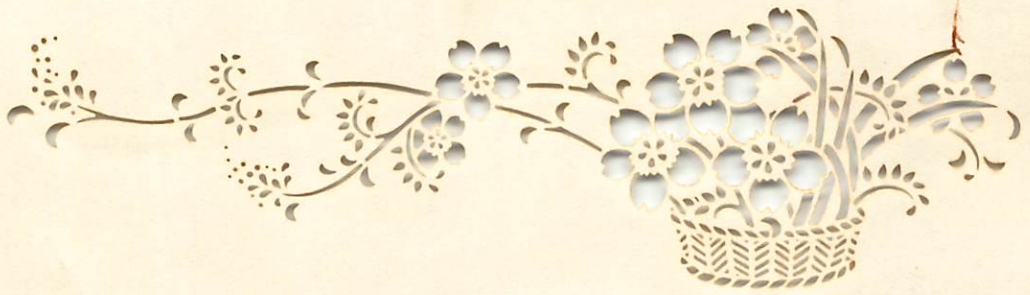

Thank you for the prospectus and EVERYTHING!
Meeting w/new lawyer set for 1 June.
Susan R. used her influence and we
got a copy on video (1/2" VHS) of the raw
footage local TV station took last week of
John & grounds.

When are you coming again?
Take care of yourself!

Carol

Hi Seymour,

You really are doing a very fine
job. Thank you so much for coming
here & adding to the whole show with
your presence. Thanks also for the
money help. John's still talking about
his cake. I hope, soon, to take him to
St. Vincent's School - San Rafael - to show him
another historical landmark. An incredible
150 yr. old bldg! Love, Suzanne
